- 18.1 Fxglobalprime and/or any of its subsidiaries, affiliates or agents shall not be responsible for any loss or damage caused, directly or indirectly, by any events, actions or omissions beyond the control of Fxglobalprime including, without limitation, loss or damage resulting, directly or indirectly, from any delays or inaccuracies in the transmission of orders and/or information due to breakdown or failure of transmission or communication facilities, or electrical power outage.
- 18.2 Neither Fxglobalprime nor any of its subsidiaries, affiliates or agents warrants that the trading platform or any services provided (including Third Party Licenses) will be available without interruption or will be error free and such trading platform and services are being provided "AS IS" without any representation or warranty of any kind whatsoever except as otherwise set forth herein.
- 18.3 Under no circumstances shall Fxglobalprime or any of its subsidiaries, affiliates or agents be liable for any direct, indirect, punitive, incidental, special, or consequential damages that result from the use of, or inability to use, Fxglobalprime's trading platform or services (including Third Party Licenses) including but not limited to lost profits, loss of business, trading loss, loss of data or use of data, any unauthorized access to, alteration, theft or destruction of Customer's computers, computer systems, data files, programs or information, or costs of procurement of substitute goods or services.
- 18.4 Customer agrees that this section represents a reasonable allocation of risk, that this section is an essential element of this Agreement and that in its absence; the economic terms of this Agreement would be substantially different.
- 18.5 This limitation applies whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if Fxglobalprime or any of its subsidiaries, affiliates or agents has been advised of the possibility of such damage.
- 18.6 Neither Fxglobalprime nor any of its subsidiaries, affiliates or agents has liability or duty of indemnification related to unusable data, lost or corrupt Customer transactions or data, by whatever means, in whatever form.
- 18.7 This limitation of liability additionally eliminates any duty or liability on the part of Fxglobalprime or any of its subsidiaries, affiliates or agents related to unusable data, lost or corrupt Customer transactions or data, resulting in part or in whole from third-party software or networking goods or services or from internet related problems or from actions or events outside of Fxglobalprime's control.
- 18.8 Fxglobalprime and its subsidiaries, affiliates and agents disclaim any and all liability resulting from or related to any breach of internet security or disruption, distortions or delays of Customer's connections to the internet, due to any reason.
- 18.9 As OTC is not an exchange traded market, prices at which Fxglobalprime deals at or quotes may or may not be similar to prices at which other OTC market makers deal at or quote.
- 18.10 Should a quoting or execution error occur, which may include, but are not limited to, a mistype of a quote, a quote that is not representative of fair market prices, an erroneous price quote from a dealer or erroneous price quote due to failure of hardware, software or communication lines or systems or inaccurate external data feeds provided by third-party vendors, Fxglobalprime will not

be liable for the resulting errors in account balances. Without derogating from the above, in the event that transactions shall be closed or opened based on the Erroneous Quote, Fxglobalprime's trading room attempts to recognize such event and to act promptly to reset such event. Customer acknowledges that the reset process may take time, during which Customer may not be able to use its trading account, and outstanding orders may not be executed.

18.11 In case Fxglobalprime will identify an erroneous quote or an outdated quote, it may offer the Customer an alternative quote or alternatively to continue the transaction, all at the sole discretion of Fxglobalprime.

18.12 Customer further acknowledges that Fxglobalprime, its subsidiaries, affiliates and agents shall not be liable for any loss or damage caused due to or in connection with such reset process.

18.13 Third Party Licenses:

18.13.1 If any third-party software is included within or embedded in the Fxglobalprime website or online trading platform, then such embedded third-party software shall be provided subject to the terms of this Customer Agreement which apply to the online trading platform.

18.13.2 Customer shall fully comply with terms of any Third-Party Licenses that we provide from time to time.

18.13.3 We provide no express or implied warranty, indemnity or support for the Third-Party Licenses, and will have no liability related thereto.

18.13.4 "Third Party Licenses" means licenses from third parties governing third party software embedded or used in the trading platform.

19. FOREX, CFDs, OPTIONS AND SPREAD BETTING FLUCTUATION RISK

19.1 If Customer directs Fxglobalprime to enter into any Forex, CFDs, Options and Spread Betting transaction:

- (i) Any profit or loss arising as a result of a fluctuation in Forex, CFDs, Options and Spread Betting will be entirely for Customer's account and risk;
- (ii) All initial and subsequent deposits for margin purposes shall be made in U.S. Dollars, EUROS, Great British Pounds or Japanese Yen in such amounts as Fxglobalprime may in its sole discretion require; and
- (iii) Fxglobalprime is authorized to convert funds in Customer's account for margin into and from such foreign currency at a rate of exchange determined by Fxglobalprime in its sole discretion on the basis of the then prevailing money market rates.

20. INDEMNIFICATION

20.1 Customer agrees to indemnify and hold Fxglobalprime, its subsidiaries, affiliates, agents, employees, agents, successors and assigns ("Ava Indemnities") harmless from and against any and all liabilities, losses, damages, costs and expenses, including attorney's fees, incurred by any of Fxglobalprime indemnities arising out of Customer's failure to fully and timely perform Customer's obligations herein or under any Third Party License or should any of Customer's representations and

warranties fail to be true and correct.

20.2 Customer also agrees to pay Fxglobalprime indemnities promptly all damages, costs and expenses, including attorney's fees, incurred in the enforcement of any of the provisions of this Agreement and any other agreements between Fxglobalprime and Customer.

20.3 In addition to any limitations of liability specified elsewhere in this Agreement, Fxglobalprime indemnities shall not be held liable and are released from all claims and losses incurred in such regard if the claim or loss was caused or contributed to by:

- (i) The actions or omission to act on the part of Customer,
- (ii) Any act or omission by any person obtaining access to Customer's account, whether or not Customer has authorized such access or not,
- (iii) System malfunction, equipment failure (whether Customer's equipment or Fxglobalprime's equipment), system interruption or system unavailability,
- (iv) Delays, failure or errors in implementing any instruction,
- (v) Inaccurate or incomplete instructions received by Fxglobalprime's from Customer, or
- (vi) Any reliance or use by Customer or any other third party with access to Customer's account of any financial and market data, quotes, news, analyst opinions, research reports, graphs or any other data or information whatsoever available through the trading platform or any Third-Party License, whether to complete a transaction on the trading platform or for any other purpose whatsoever.

20.4 Fxglobalprime shall be entitled to setoff Customer's liabilities under this section from Customer's account.

21. MARKET ABUSE AND MANIPULATION

21.1 PROHIBITION ON ARBITRAGE AND MANIPULATION

21.1.1 Fxglobalprime does not permit the practice of arbitrage when trading and strictly forbids any form of manipulation of its prices, execution, and platform or making transactions based on errors, omissions or misquotes on the Fxglobalprime platform.

21.1.2 Price latency, connectivity delays, and price feed errors sometimes create a situation where the prices displayed do not accurately reflect market rates. The concept of arbitrage and "scalping", or taking advantage of these Internet delays, cannot exist in an OTC market where the client is buying or selling directly from the market maker.

21.1.3 Any transactions that rely on price latency or price feed errors may be subject to intervention which includes the right to void any transactions which Fxglobalprime has determined to be a result of any of these practices, revocation of profits, widening of spreads, block of trading and any other necessary corrections or adjustments on the account without prior notice.

21.1.4 If Fxglobalprime suspects or has reason to believe that Customer has abused the terms and conditions by hedging positions internally (using other trading accounts held with Fxglobalprime) or externally (using other trading accounts held with other brokers), Fxglobalprime reserves the right to cancel any trades or profits associated with Customer's account(s).

21.2 MARKET ABUSE

21.2.1 Fxglobalprime may hedge our liability to you by opening analogous positions with other institutions or in the underlying market. The result of our doing this is that when you trade with us your trades can, through our hedging, exert a distorting influence on the underlying market for that index, in addition to the impact that it may have on our own prices. This creates a possibility of market abuse.

21.2.2 Customer represents and warrants, and agrees that each such representation and warranty is deemed repeated each time Customer opens or closes a position that:

(a) Customer will not place and has not placed a trade with us relating to a particular index or any other CFD price if to do so would result in Customer, or others with whom Customer is acting in concert together, having an exposure to the price of the underlying financial instrument which can create a situation of market abuse.

This exposure can be equal to or exceeding the amount of a declarable interest in the relevant financial instrument. For this purpose, the level of a declarable interest will be the prevailing level at the material time, set by law or by the stock exchange(s) or other exchange upon which the underlying financial instrument is traded; and

(b) Customer will not place and has not placed a trade with us in connection

with: (i) a placing, issue, distribution or other analogous event;

(ii) an offer, take over, merger or other analogous event; or

(iii) any other corporate finance style activity, in which Customer is involved or otherwise interested; and

(c) Customer will not place or close a position and Customer will not place an order that contravenes any primary or secondary legislation or other law against insider dealing or market manipulation. Customer agrees that Fxglobalprime may proceed on the basis that when Customer opens or closes a position or places an order on a share price, Customer may be treated as dealing in securities within the meaning of the relevant statutes or regulations.

21.2.3 In the event that (a) Customer places or closes any trade or places an order in breach of the representations and warranties given, or Fxglobalprime has reasonable grounds for suspecting that Customer may have done so, Fxglobalprime may at our absolute discretion and without being under any obligation to inform Customer of our reason for doing so close that trade and any other trade or trades that you may have open at the time, if applicable, and also at our absolute discretion cancel any trades or profits associated with Customer's account(s)

21.2.4 Customer acknowledges that trade are speculative arrangements and Customer agrees that Customer will not enter into any transactions with us in connection with any corporate finance style activity.

21.2.5 Customer acknowledges that it would be improper for Customer to deal in the underlying market if the sole purpose of such a transaction was to impact on our bid or offer prices, and Customer agrees not to conduct any such transactions.

22. EXECUTION OF ORDERS, STOP AND LIMITS

- 22.1 Fxglobalprime will use commercially reasonable efforts to complete all orders which it may, in its sole discretion, choose to accept in accordance with the oral or written or computer instructions of Customer.
- 22.2 Fxglobalprime reserves the right to refuse to accept any order.
- 22.3 Fxglobalprime may, at its sole discretion, allow Customer to specify a closing price for a transaction at the trading platform through a "Close at Loss" and "Close at Profit" order, subject always to the terms of this Agreement and any other terms and conditions Fxglobalprime may implement from time to time.
- 22.3.1 "Close at Loss" means an offer to close a transaction at a price determined in advance by Customer which, in the case of a transaction that is opened by offering to buy a specific number of a certain instrument, is lower than the opening transaction price, and in the case of a transaction that is opened by offering to sell a specific number of a certain instrument, is higher than the opening transaction price.
- 22.3.2 "Close at Profit" means an offer to close a transaction at a price determined in advance by Customer which, in the case of a transaction that is opened by offering to buy a specific number of a certain instrument, is higher than the opening transaction price, and in the case of a transaction that is opened by offering to sell a specific number of a certain instrument, is lower than the opening transaction price.
- 22.4 Upon Customer's offer and Fxglobalprime 's acceptance of an order, Customer hereby authorizes Fxglobalprime to close the transaction at the Close at Loss price or Close at Profit price, as applicable, and as agreed upon in the order, without further instruction from or notification to Customer.
- 22.5 Fxglobalprime may, in its sole discretion, close the transaction when the price quoted by Fxglobalprime on the trading platform equals the price accepted by Fxglobalprime for such an order.
- 22.6 Customer acknowledges and agrees that Fxglobalprime shall not be obligated to close a transaction which does not otherwise comply with any other limitations agreed upon with respect to such transaction.
- 22.7 Customer acknowledges and agrees that due to market volatility and factors beyond Fxglobalprime's control, Fxglobalprime cannot guarantee that a Close at Loss order will be executed at the level specified in Customer's order. In such an event, Fxglobalprime will close the transaction at the next best price.
- 22.8 If, before Customer's "Limit Order" offer to open or close a transaction is accepted by Fxglobalprime, Fxglobalprime 's quote moves to Customer's advantage (for example, if the price goes down as Customer buys or the price goes up as Customer sells) Customer agrees that Fxglobalprime will execute the closing transaction at the Customer' s specified price and not better. Customer agrees that Fxglobalprime can retain such price movement for its own account.
- 22.9 Customer is aware that a part of Fxglobalprime 's revenues derives from the spreads on each transaction. The spread is the difference between the bid & the ask price of the price quote on a transaction. Therefore, in case the fair market price reduces Fxglobalprime' s spread in a specific

transaction, Fxglobalprime may, at its sole discretion, choose not to execute such transaction, in which case Fxglobalprime may send Customer an amended quote for his consideration. Fxglobalprime may complete a transaction at its sole discretion in case the fair market price does not affect Fxglobalprime 's spread from the transaction and / or increases it.

23. RISK ACKNOWLEDGMENT

- 23.1 Customer acknowledges that investment in leveraged and non-leveraged transactions are speculative, involves a high degree of risk, and is appropriate only for persons who can assume risk of loss of their entire margin deposit.
- 23.2 Customer understands that because of the low margin normally required in OTC trading, price changes in OTC may result in significant losses.
- 23.3 Customer warrants that Customer is willing and able, financially and otherwise, to assume the risk of OTC trading, and in consideration of Fxglobalprime' s carrying his/her account(s), Customer agrees not to hold Fxglobalprime and any of its subsidiaries, affiliates or agents responsible for any losses incurred by Customer.
- 23.4 Customer recognizes that guarantees of profit or freedom from loss are impossible in OTC trading.
- 23.5 Customer acknowledges that Customer has received no such guarantees from Fxglobalprime or from any of its representatives or any introducing agent or other entity with whom Customer is conducting his/her Fxglobalprime account and has not entered into this agreement in consideration of or in reliance upon any such guarantees or similar representations.
- 23.6 The high degree of leverage that is obtainable in the trading of Forex, CFDs, Options and Spread Betting transactions can work against you as well as for you. Leverage can lead to large losses as well as gains.
- 23.7 During times of extreme volatility it can be difficult or impossible to execute orders.

24. MARKET RECOMMENDATIONS AND INFORMATION

24.1 Customer acknowledges that:

- (i) Any market recommendations, signals and information communicated by any method of communication to Customer by Fxglobalprime and any of its subsidiaries, affiliates, agents or by any person within Fxglobalprime does not constitute an offer to sell or the solicitation of an offer to buy any OTC contract, and that Fxglobalprime does not provide investment advice
- (ii) Such recommendation and information, although generally based upon information obtained from sources believed by Fxglobalprime to be reliable, may be based solely on a broker's opinion and that such information may be incomplete and may be unverified, and
- (iii) Fxglobalprime makes no representation, warranty or guarantee as to, and shall not be responsible for, the accuracy or completeness of any information or market recommendation furnished to Customer and shall not be responsible for any loss or damage including without limitation any loss of margin or profits which May arise directly or indirectly from use or reliance on such recommendations or information.

24.2 Customer understands that Customer is solely responsible for assessing the merits and risks of any trade it may enter into with Fxglobalprime whether as a result of information provided by Fxglobalprime or otherwise.

24.3 Customer acknowledges that Fxglobalprime and/or its officers, directors, affiliates, associates, stockholders or representatives may have a position in or may intend to buy or sell Forex, CFDs, Options and Spread Bets, which are the subject of market recommendations furnished to Customer, and that the market position of Fxglobalprime or any such officer, director, affiliate, associate, stockholder or representative may not be consistent with the recommendations furnished to Customer by Fxglobalprime.

24.4 Customer acknowledges that Fxglobalprime makes no representations concerning the tax implications or treatment of any trading activity.

26.2 The Customer represents and warrants that the Customer has very carefully considered the portion of the Customer's assets which the Customer considers to be risk capital.

26.3 The Customer recognizes that risk capital is the amount of money the Customer is willing to put at risk and the loss of it would not, in any way, change the Customer's lifestyle.

26.4 The Customer agrees to immediately inform us if the Customer's financial condition changes in such a way to reduce the Customer's net worth, liquid assets and/or risk capital.

27. NO SEPARATE AGREEMENTS

27.1 Customer acknowledges that Customer has no separate agreement with Fxglobalprime or any of its employees or agents regarding the trading in Customer's Fxglobalprime account, including any agreement to guarantee profits or limit losses in Customer's account.

27.2 Customer understands that Customer must authorize every transaction prior to its execution unless Customer has delegated discretion to another party by signing Fxglobalprime's limited trading authorization or as otherwise agreed in writing with Fxglobalprime, and any disputed transactions must be brought to the attention of Fxglobalprime's Compliance Officer pursuant to the notice requirements of this Customer Agreement.

28. AFFILIATE REFERRAL DISCLOSURE

28.1 We may engage with advertising affiliates/referrers/marketing partner (“Affiliate”) who are wholly separate and independent from one another and from Fxglobalprime. Any agreement between the company and Affiliate does not establish a joint venture or partnership and Affiliate is not an agent or employee of Fxglobalprime.

28.1.1 Fxglobalprime does not control, and cannot endorse or vouch for the accuracy or completeness of any information or advice Customer may have received or may receive in the future from Fxglobalprime’s Affiliates or from any other person not employed by, or acting on behalf of Fxglobalprime, regarding the risks involved in the trading of Forex, CFDs, Options and Spread Betting or the risks involved in such trading.

28.1.2 Since Affiliate is not an employee or agent of Fxglobalprime, company does not endorse or vouch for the services provided by the Affiliate. It is the Customer’s responsibility to perform necessary due diligence on the Marketing Partner prior to using any of their services.

28.1.3 Customer understands that in order to trade with Fxglobalprime the Customer must open an account directly with Fxglobalprime. Fxglobalprime makes available appropriate risk disclosure information to all Customers when they open accounts. Customers should read that information carefully and should not rely on any information to the contrary from any other source.

28.1.4 Customer acknowledges that no representations and/or warranties have been made by Fxglobalprime its servants or agents or any individual associated with Fxglobalprime regarding future profits or losses in Customer’s account.

28.1.5 Customer understands that Forex, CFDs, Options and Spread Betting trading is very risky, and that many people lose money trading and that all Forex, CFDs, Options and Spread Betting trading, including trading done pursuant to a system, course, program, research or recommendations of an Affiliate, Trading Agent or any other third party involves a substantial risk of loss. In addition, Customer hereby acknowledges, agrees and understands that the use of a trading system, course, program, research or recommendations of an Affiliate, Trading Agent or any other third party will not necessarily result in profits, avoid losses or limit losses.

28.1.6 Because the risk factor is high in Forex, CFDs, Options and Spread Betting trading, in case Client does not have the extra capital he can afford to lose, Client should consider carefully before trading.

28.1.7 Customer understands and acknowledges that Fxglobalprime may remunerate a Affiliate for referring Customer to Fxglobalprime and that such remuneration may be on a per-trade basis or other basis. Further, the Client has a right to be informed of the precise nature of such remuneration.

28.1.9 Fxglobalprime shall in no way be responsible for any loss to Customer resulting from Customer’s use of any information or advice given by any third party including a Trading Agent or Affiliate.

(iii) That Fxglobalprime does not, by implication or otherwise, endorse or approve of the operating methods of the Trading Agent.

29.4 If a customer chooses to grant trading authority or control over Customer's account to a Trading Agent, Customer agrees to enter into a power of attorney agreement ('POA') with the Trading Agent to permit same, and to furnish the POA to Fxglobalprime.

29.5 Customer acknowledges that upon receipt of the POA, Fxglobalprime is authorized to follow the instructions of the Trading Agent in every respect until Fxglobalprime is notified in writing by the Customer that the POA is revoked or the POA has expired.

The Customer authorizes Fxglobalprime to debit Customer's Account in accordance with the terms agreed between Customer and Trading Agent and which are set out in the POA.

29.6 Customer acknowledges that the Trading Agent and many third-party vendors of trading systems, courses, programs, research or recommendations may not be regulated by a government agency. It is the Customer's responsibility to perform necessary due diligence on the Trading Agent prior to using any of their services and to satisfy themselves of its competence and/or suitability to the Customer.

29.7 Customer acknowledges that it or the Trading Agent may elect to use an automated trading system. Customer acknowledges that Fxglobalprime does not take any responsibility for any such system. The Customer is aware of the volume of trading and resulting commissions that such systems may generate and the impact that this may have on the performance of the Account Customer accepts the risks associated with the use of computers and data feed systems, which may include, but are not limited to, failure of hardware, software or communication lines or systems and/or inaccurate external data feeds provided by third-party vendors and the Customer further agrees to hold Fxglobalprime harmless from any losses in the Account associated with these risks. Details of any such markup will be displayed in the spread on the client trading account using the automated system and/or provided in the agreement between the Trading Agent and Customer.

29.9 Customer acknowledges that any decisions or actions taken by the Trading Agent on Customer's behalf shall be deemed to have been taken by the Customer and any losses or gains generated by the Trading Agent's action shall be for the Customer's account.

29.10 Customer agrees to indemnify and hold Fxglobalprime, harmless from and against all liabilities, losses, damages, cost and expenses, including attorney's fees that arise directly or indirectly from the Trading Agent's management of the account, including, without limitation all actions, instructions or omissions by the Trading Agent.

29.11 The Customer acknowledges that the risk factor in trading foreign exchange, commodities, futures, Forex, CFDs, Options and Spread Betting is substantially high, and therefore the Customer further acknowledges that she/he should carefully consider trading through Fxglobalprime, whether through a Trading Agent or otherwise, if the Trader does not have capital she/he can afford to lose.

31. TERMINATION

31.1 This Agreement shall continue in effect until termination, and may be terminated by Customer at any time upon three days prior written notice (which may be by e-mail) when Customer has no Forex, CFDs, Options and Spread Betting position(s) and no liabilities held by or owed to Fxglobalprime upon the actual receipt by Fxglobalprime at its home office of written notice of termination, or at any time whatsoever by Fxglobalprime upon the transmittal of written notice of termination to Customer; provided, that such termination shall not affect any transactions previously entered into and shall not relieve either party of any obligations set out in this agreement nor shall it relieve Customer of any obligations arising out of any deficit balance.

31.2 Sections 13, 16, 18, 23, 30, 42 shall survive termination of this Agreement for any reason.

37. WITHDRAWAL AND DEPOSIT PROCEDURES

37.1 Customer further acknowledges and accepts Fxglobalprime's procedures with respect to withdrawals and deposits to accounts as set forth below:

- (i) Withdrawal orders: The provision of documentation as may be required from time to time by Anti Money Laundering regulations, credit card companies and Fxglobalprime, is a prerequisite, prior to the execution of a withdrawal order.
- (ii) Customer acknowledges that withdrawals may take longer than expected for numerous reasons, some in Fxglobalprime's control and some not.
- (iii) Withdrawals from inactive accounts (no trading activity at all or no trading activity for last 6 months) will incur a charge of \$10 USD or 10% of withdrawal amount, whichever is higher.
- (iv) Credit card deposits may be, according to credit card companies' regulations, returned to the same credit card when a withdrawal is performed. A withdrawal to a bank account where initial deposits have been performed by credit cards will be executed back to credit card or to the bank account at Fxglobalprime's discretion. Withdrawals to bank account may take a longer time period, due to additional security procedures.
- (v) Credit Card Deposits Variance: When choosing an account base currency other than USD, Customer's credit card may be debited sums which due to exchange rates and credit card companies' fees, may slightly vary from the initial sum that has been deposited by Customer in the account base currency. Customer hereby accepts that such variations may occur and hereby affirms that Customer shall not seek to object or charge this back.
- (vi) When depositing by a Bank Transfer, as required by anti-money-laundering regulations, Customer is required to use a bank account, which is in Customer's country of residence and in Customer's name. Any withdrawal of funds, from Customer's Fxglobalprime account to a bank account, can only be refunded to the same bank account that the funds were originally received from.

(vii) Alternative payment methods (internet payment vendors; money transfer services; etc.): when depositing funds using a facility other than credit cards and/or banks, you agree to, and acknowledge being bound by, the regulations and rules of such service, including, but not limited to, fees and other restrictions. Fxglobalprime, at its sole discretion, may execute withdrawals to a facility other than the facility used for the original deposit, in accordance with anti-money-laundering regulations.
